

SPARK MOVEMENT COLLECTIVE

Since its inception in 2009, Spark Movement Collective ("Spark") has flourished into a force on the independent and contemporary dance scene. Spark's mission is to create an accessible dance experience for audience members, dancers, and choreographers alike.

Spark captures the discrete elements of dance to deliver performances comprised of athletic yet fluid choreography and a brand of signature honesty intrinsic in the execution of pieces. This approach is bound together with a narrative that results in fresh, innovative, and meaningful pieces that uniquely connect with both audience members and the community at large.

In 2020, Artistic Director and Founder Chelsea Koenig stepped down and current Artistic Director Michelle Thompson Ulerich took the helm, continuing to create accessible dance experiences throughout the five boroughs.

BOARD OF DIRECTORS

WHAT WE DO

Spark Movement Collective's Board of Directors has two main goals: 1) to uphold Spark's mission in all we do and 2) to support the Artistic Director.

The Board of Directors meets monthly to report on and delegate tasks: everything from fundraising to website updates, to scanning tickets at Spark performances. It is a collaborative board full of passionate and hard-working people who have a love of dance.

The Board is comprised of two committees. The Executive Committee oversees fundraising, grant-writing, and Board recruitment, while the Outreach Committee manages the website, ticketing, emails, and marketing.

THE COMMITMENT

- Attend monthly Board meetings held on the first Wednesday of each month on Zoom
- Join a Board committee
- Donate to Spark's annual fundraising campaign
- Collaborate with other Board members
- Attend and volunteer at Spark Movement Collective performances (if based in NYC or nearby)
